What promoters and audiences say about Black Lace

Butlin's
BIG WEEKENDERS
★ ★ ★

**“ ONE OF THE BEST ACTS
ACROSS ALL 83 BIG WEEKENDERS.**

I can honestly say that Black Lace is by far one of the best acts that we have across all of our **83 Big Weekenders** that we have at Butlin's.

Whenever we have Black Lace performing on any of our resorts the **venues always go to capacity.**

This year Black Lace have been doing the Opening Party on our Ultimate 80s Big Weekenders, and they have been **the most popular act** that we have with our Skyline Pavilions being full each time they are on.

BUTLIN'S BIG WEEKENDERS

Craig and Phil are not only incredible vocalists, but they are natural born entertainers. **Their energy and their passion really comes through**, so much so that over the past 3 years on our Guest Survey's Black Lace are one of the most mentioned acts by our guests.

I can't recommend the gents enough and we will continue to use them on our Big Weekenders as they are so good at what they do!
